# PLAY PAINTBALL

Gunsmoke Paintball Splatmaster Kids is low impact paintball especially for 8 to 11 year olds. Using .50 cal paintballs, these are designed to break on impact. Easy to wash off after games with water, paintballs are non-toxic and bio-degradeable. Experience the thrill of paintball with a JT Splatmaster pump action marker with your friends.

Catering for small groups (minimum of 10 persons) to large parties, Gunsmoke Paintball has several fields to choose from and a range of games on our 31 acre purpose built paintball site and is the perfect venue for your paintball party. Parental consent is required and an adult must be in attendance.

## PRICES

£20 game fee gets you 1 hour of play with:

- unlimited paintballs
- VForce thermal goggles
- armour chest vest
- JT Splatmaster pump marker.
